VENUE &
ROOM HIRE

01 VENUE & ROOM HIRE

HOF is a venue unlike any other! You have the ability to go dark and moody in the Jungle Room or light and airy in the Arches Room. Endless possibilities for photo opportunities.

You can choose to have a single room or the whole venue.

We believe that every event deserves to be unique and as individual as you are. Which is why you are able to customise your event with our in house styling options or bring in your own external decorator to create the day of your dreams.

Good to know details:

- We can host events up to 100+ guests
- Ability to have a DJ / musicians
- Dance floor
- The minimum spend includes all food and alcohol
- Variety of canapés to choose from
- You can run your bar tab how you like. eg. just beer & wine, beer, wine & mixes, or all of the above and cocktails. We believe its your money and you can choose how you want to spend it.

01 MINIMUM SPEND

Full Venue Hire

\$ 7,500 first 3 hours | \$ 1,000 each consecutive hour

Arches Room & Riad Bar

\$ 5,400 first 3 hours. | \$ 800 each consecutive hour

Jungle Room & WineBar

\$ 3,600 first 3 hours | \$ 800 each consecutive hour

Riad Bar

\$ 2,400 first 3 hours | \$ 600 each consecutive hour

02 VENUE & ROOM HIRE FEE

- \$300 - for functions up to 20 guests
- \$500 - for functions 20 - 50 guests
- \$700 - for functions 51 - 80 guests
- \$900 - for functions 81 - 100+ guests

The venue hire fee is non negotiable. It also does not form part of the minimum spend requirements.

The hire fee includes:

Cleaning, any minor breakages (glassware), additional bar and wait staff to see to your every need. It also includes time with myself to sit down and plan your function, to ensure it meets your every need. All styling props for grazing tables, all candle holders and real candles as per our normal standard trading.

MINIMUM SPEND

The minimum spend is inclusive of all food and alcohol. We have a food and drinks menu specific for functions that changes seasonally, and will be sent to you for you to choose from.

We do recommend having a grazing table as an option then have additional canapés (if you like of course) for additional food options for guests. This just means there is always food available for guests to snack on throughout the course of the event.

After you work out what you would like to spend on food, the balance is then applied to your bar tab.

You can choose how you would like to run your bar tab ie. beer and wine only, beer, wine and basic mixes, or have cocktails also included. How you choose to run the tab is up to you, we just kindly ask that you still select 4 cocktails from our menu that you would like your guests to be able to purchase after the tab runs out or if they are still required to purchase their own.

This just makes things very quick for the bar staff to ensure drinks get out quickly. We also have the option of having beers on ice out in the arches room for the beer drinkers to be able to help themselves. This also makes it faster and more enjoyable for guests and cuts down on bar wait times.

If the **Arches Room** is booked, please understand that the toilets will still need to be accessible for the other guests to use from The Jungle Room. You will also have the added addition of the Riad Bar included in your booking, for additional seating and private use of the bar.

If the **Riad Bar** is booked, you will have the whole bar to yourself and your guests.

Please understand, that your guests will only be able to use the parts of the venue that have been booked. They will not be able to sit in the other parts of the venue that is not allocated to your function space.

Please Note, you are responsible for all costings and insurances associated with the vendors you hire.

Start and Finish Times

You only pay for the time that your function is actually running for, we do not charge you any additional fees for the set up and styling of the event.

No guests will be permitted to enter the venue or space prior to the event starting time. The only exception to this is the photographer (if you are having one) to take photos. They will be permitted access a maximum of 30 minutes prior to the doors opening for guests to arrive. If you would like the ability to have the venue or room open to close family and friends prior to other guests arriving, you will need to have this as the actual start time of your event.
